BEAVERTON POLICE RESPOND TO NUMEROUS REPORTS OF DAMAGED VEHICLES

The Beaverton Police Department responded to 43 reports of criminal mischief to vehicles that occurred primarily in the southwest area of Beaverton between 10:00 pm on July 6th and 5:00 am on July 7th. Many vehicles had more than one window damaged as the result of being shot with a BB gun.

Damage estimates range from \$200.00 to \$1500.00 per vehicle, depending on the number of windows impacted.

The Beaverton Police Department is offering a reward of up to \$500.00 for information that leads to the arrest and conviction of the person(s) responsible for the damage to these vehicles.

Beaverton Police Chief David G. Bishop commented "This case will be solved with information provided by citizens in our community". It is important that victims, who have not yet reported similar damage within the last twelve hours, contact the police department so that an accurate record can be achieved.

Anyone with information is urged to call the Beaverton Police Department at 503-526-2265.
